Re: Closure of Administrative Order
Docket No. SDWA-08-2003-0006
PWS ID #WY560 1366

Dear Dr. McFarland:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket Number SDWA-08-2003-0006, issued to the Central Wyoming College Field Station Water System on February 6, 2003. The EPA has found that you have complied with the terms of the Order so we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

Thank you for your attention to this matter and for your continued compliance with the regulations. If you have any questions related to this matter, please contact Eric Banghart at (303) 312-6971.

Sincerely,

SIGNED
